

LIVERPOOL - A CITY WITH CONNECTIONS

BALTIC TRIANGLE

The Baltic Triangle is an historic part of Liverpool City Centre, which is enjoying a steady renaissance as a creative and digital cluster. Reclaimed and resurrected by creative and digital entrepreneurs, it's an area where artists rub shoulders with digital agencies, film-makers and young entrepreneurs.

THE KNOWLEDGE QUARTER

Knowledge Quarter is home to some of the world's most influential players in science, health, technology and education. A place where great discoveries are made in preventing and fighting infectious diseases, personalised medicine, sensor technology, materials chemistry and sports science.

ROPEWALKS

Described as the bohemian heart of Liverpool, Ropewalks is a neighbourhood bursting with life. Home to FACT, the UK's leading organisation for commissioning, exhibiting and supporting artists' and creative entrepreneurs' work and innovation in film, video and new media.

ST GEORGE'S QUARTER

St George's Quarter forms part of Liverpool's World Heritage Site and boasts one of the finest collections of Victorian architecture in the UK from St George's Hall, World Museum Liverpool and Central Library to The Walker Art Gallery and Lime Street Station.

LIVERPOOL WATERS & NORTH DOCKS

The busiest port on the UK's west coast with an unparalleled maritime history, the city's dockland area is already home to five of the world's top shipping lines. With huge investments planned including Liverpool Waters, a new £55million cruise liner terminal and the £1 billion Superport, Liverpool is shaping the future of shipping and logistics.

UNESCO WORLD HERITAGE WATERFRONT

Liverpool's waterfront is a designated World Heritage Site, putting it on a par with the Taj Mahal and the Great Wall of China. Take a stroll past the magnificent Three Graces, Museum of Liverpool and Royal Albert Dock, and finish your journey at the home of your next event - ACC Liverpool.

THE GEORGIAN QUARTER

In this elegant part of the city lies Hope Street, winner of the Academy of Urbanism Award for Best Street; the Stirling Prize-winning Everyman Theatre, along with the 175 year-old Liverpool Philharmonic Hall. With a wide range of independent restaurants and bars, it's the perfect place for your delegates to explore after-hours.
